

BORDENTOWN CITY GREEN FAIR

The Bordentown City Green Fair is a community-wide event that educates and encourages people of all ages to adopt a more sustainable lifestyle. The Green Fair will offer attendees an opportunity to visualize how their seemingly small individual efforts can make a huge difference in their community. The Green Fair is also an opportunity to learn more about local environmental organizations and vendors of environmentally-friendly products and services.

HIGHLIGHTS

Local municipal/governmental groups

Local/regional/statewide non-profit organizations (local food, local watersheds, environmental education, energy efficiency, etc.)

Vendors of environmentally-friendly products and services

Bicycle safety and bicycle registration programs for kids and adults

FREE Raffle for cool eco-prizes

Presentations about environmental/sustainability issues
